FINANCIAL SERVICES TECHNOLOGY

Who we are

McGregor Boyall is an established recruitment consultancy with offices in London, Manchester, Edinburgh, Glasgow and globally in Dubai and Singapore. Since our inception in 1987 we have built an unrivalled reputation for helping organisations recruit the very best talent to ensure that they realise their business and operational objectives. Our main focus is to identify, attract and deliver high-quality professionals who can support and enhance their new employer's corporate objectives. We have a proven track record of recruiting across a wide range of sectors as demonstrated through our specialisms.

What we do in Financial Services Technology

We recognise that dramatic evolution brings with it both challenges and opportunities. We believe that our thirty year track record of successful delivery into a wide array of Financial Services organisations has given us the experience and ability to help our clients meet these challenges from a talent acquisition perspective.

From our offices in London, Manchester, Glasgow and Edinburgh, as well as globally in Dubai and Singapore our highly experienced consultants deliver against the recruitment and resourcing requirements of a broad range of clients:

Investment Banks | Wholesale & Commercial Banks | Retail Banks | Private Banks & Wealth Managers | Asset & Investment Management Firms | Insurance and Reinsurance Firms | Exchanges | Regulators | Consultancies | Ratings Agencies
