Who we are

McGregor Boyall is a well established recruitment consultancy with offices in London, Manchester, Edinburgh and globally in Dubai and Singapore. Since our inception in 1987 we have been providing specialist recruitment solutions by focusing on identifying, attracting and delivering high quality professionals who can support and enhance their new employer's corporate objectives. Our Financial Services Division has a proven track record recruiting for institutions across Banks, Asset & Wealth Management, Insurance, Cards and Payments, Rating Agencies, Exchanges, Brokerages, Vendors and Consultancies. We have the expertise and capability to partner with you across the following areas:

IT & Change | Compliance | Finance | Marketing & Communications | Risk | HR and Talent Management | Business Intelligence | Legal

What We Do in Audit

Our Audit team is dedicated to delivering both permanent and contract talent across a wide range of disciplines currently in demand in a challenging marketplace. We specialise in candidates for both Business and IT audit teams who have strong accounting and technical backgrounds and generally with Big 4 Backgrounds both in the UK and Internationally. Our client portfolio consists predominantly of Financial Services and Professional Services organisations and have a track record in identifying candidates from the Associate to MD Level.

Due to the need for tighter banking controls coming into effect, the team at McGregor Boyall pride themselves on their vertical knowledge of these skillsets, in turn offering our clients and candidates a consultative and specialised approach to recruitment.

Our specialist knowledge extends across the following areas:

Regulatory Audit | IT Audit | Financial Audit | Risk Audit
